Attorney Docket: I-2003.006 US

Supplemental Amendment in response to the OA of 9/3/09

REMARKS

In the Notice of Non-Compliant Amendment issued January 29, 2010, Examiner Devi kindly pointed out that, in the Amendment filed December 1, 2009, in response to the Office Action of September 3, 2009, claim 2 was identified as "Currently Amended," but it was not amended. Similarly, "(i)" and "(ii)" in claim 16 were underlined, but had been introduced in the earlier filed Preliminary Amendment. Both errors resulted from copying the Preliminary Amendment and inadvertently not introducing all changes presented therein. It is believed that these errors have now been corrected in the corrected section, the amendments to the claims, submitted herewith. All claims are now submitted as intended with the Amendment filed December 1, 2010.

It is believed that with entry of the present amendments, claims 1-3, 10, 14-17 and 22-25 are in condition for allowance. Favorable action is solicited.

Should the Examiner believe that a conference would be helpful in advancing the prosecution of this application, she is invited to telephone Applicant's attorney at the number below.

It is believed that no additional fees are due with this response. However, if necessary, the Commissioner is hereby authorized in this concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 19-0365 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17.

Respectfully submitted,
